Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue),—dated 14th September 1892.

No. 4377-84—R. 634-92, DATED BANGALORE, 14TH SEPTEMBER 1892.

ORDER.—Under Section 77 of the Land Revenue Code, it is competent for any co-occupant, co-holder, co-sharer, tenant, mortgagee or other person interested in the continuance of any occupancy or alienated holding, to pay, on behalf of the registered occupant or registered holder, all sums due on account of Land-revenue and save the estate from forfeiture and sale for arrears of revenue. Such persons are therefore fairly entitled to notice before the tenure is forfeited and sold, provided they get their names entered in the Revenue records. Government therefore resolve that a register to be called the "Register for special Notices" in the accompanying form be opened for the purpose in each Taluk Cutcherry and that when any such persons, including those who lend money on the hypothecation of the land, request that their names be noted in the said Register, with a view to being served with notices when the occupancy rights of such lands are in danger of being forfeited and sold, their names be registered accordingly and the same communicated to the Shanbhog in view to a note thereof being made in the Khaté Register. The Shanbhog's note shall be made in the following manner:— "For No. 4 land, Timmegauda is entitled to special notice as per order, dated No. ". Notice of every intended forfeiture and sale of the land for arrears of Revenue should be given to the parties entered in the special Register. It must, however, be understood that the person whose name has been so noted in the Register will be entitled to such notice only during 5 years next succeeding the date of registry, and he must renew his application at the end of every such term of 5 years, if he wishes the privilege to be continued. The consent of the registered khatedar is not necessary for the names of the interested parties being specially noted in the khate, as such notation can create no rights or obligation of any kind. It will merely enable the local Revenue authorities to give them notice of default by the registered holder and thus to afford them an opportunity of paying on behalf of the registered holder and thereby saving the land from sale for arrears of Revenue.

No. 8305—R. F. 209-92, *the 14th December* 1892.

1. It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling country spirits in the defined tracts specified in the subjoined schedule for fifteen months, namely, April, May and June 1893 and the twelve months of the official year beginning with 1st July 1893 and ending with 30th June 1894 will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or if necessary, reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive privilege above described will be put up to auction at the upset prices mentioned in the aforesaid schedule, and will be knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at his discretion. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at his discretion.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person will be permitted to bid either on his own behalf or on account of

any one else until he has desposited Rs. 25 (Twenty-five). The deposits made by the unsuccessful bidders and not forfeited as hereinafter provided will be returned at the close of the sale. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement showing the details of consumption of liquor in the shops of the existing farms will be shown to the intending bidders at the time of sale.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusive privilege shall extend only to the sale of country spirits ordinarily of 20° under proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of 30° under proof.

(2.) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from April 1893; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on the 15th of the month following.

(3.) The deposit of three months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(4.) (*a*) The licensee shall purchase the spirits for issue to his shops from Messrs. Parry and Co., who have been appointed Distillers for the manufacture of country spirits for the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by such distiller for spirits supplied by him shall be 10½ annas per gallon of 20° under proof, and proportionate rates for higher or lower strengths in accordance with Cassella's rules. The spirits shall be sold to the public at Rs. 5—5—0 per gallon of 20° under proof, and at proportionate rates for higher or lower strengths.

(*b*) The above rate is in addition to excise duty which shall be prepaid into the local Government Treasury, as per condition (6), at the rates specified in the subjoined schedule, before the removal of the spirits from the Distillery, or from any Bonded Depot established under the sanction of Government.

(5.) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, and on payment of the prescribed price of such liquor to the distiller or his agent, or any person appointed by Government on this behalf, the Assistant Supervisor or other officer in charge of the Distillery or the Bonded Depôt keeper shall issue the quantity of liquor equal to the amount of duty shown in the Treasury Officer's receipt which will be forwarded to the Excise Commissoner's Office under the endorsement of the Assistant Supervisor or other officer aforesaid as to the date and hour when the liquor was issued. The Assistant Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form under the rules in force for the transport of the liquor from the Distillery or Warehouse. The licensee who obtains liquor from a Bonded Depôt shall pay both the price of liquor and duty into the local Taluk Treasury.

(6.) The licensee in the Bangalore District shall maintain at a place or places within his farm, where it may be considered necessary by him and the Deputy Commissioner, a Depôt or Depôts to which all spirits purchased by him shall be conveyed in the first instance for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The Depôts shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such Depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven Districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments whereof being paid by them as at present.

(7.) The spirits shall be sold as issued from the Distillery or Bonded Depôt, and shall not be adulterated or diluted in any manner in the shops.

(8.) The licensee shall keep true accounts of the quantity and strength of the spirits purchased by him and issued to shop-keepers. The passes issued with the liquor purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government hereafter.

(9.) The spirits shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(11.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the farm, to hold any share or interest in his exclusive privilege of selling country spirits ; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any arrack farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12.) The licensee shall be bound to take over any arrack which may remain as stock in hand, belonging to the out-going farmer, on the 1st April 1893 in the existing Bonded Depôt in his farm, paying to the old farmer such compensation for the same as may be fixed by the Excise Commissioner

(13.) The licensee shall be bound by the provisions of the excise laws and rules in force or by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government and provide himself with the prescribed forms of accounts and permits or passes for the transport of liquor, which forms shall be purchased from the local Excise Officers.

(14.) This contract shall not be transferable except with the permission of Government.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st April 1893, should be made good by the licensee. When a lease is cancelled, the rent for the whole period of the lease shall become due at once. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employès for any offence punishable under the Excise laws for the time being in force.

No. 8306—R. F. 209-92, DATED 14TH DECEMBER 1892.

1. Notice is hereby given that the right of selling country spirits in each of the separate shops in the tracts specified in the subjoined schedule, for fifteen months, namely, April, May and June 1893 and twelve months of the official year beginning with 1st July 1893 and ending with 30th June 1894, will be put up to public auction on the dates and at the places named in the said schedule, by the officers therein mentioned.

2. Each bidder at the auction will deposit a sum of Rs. 60 previous to bidding. The shops will be knocked down to the approved highest bidder above the upset price mentioned in the aforesaid schedule, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents. Should there be no bid above the upset price, the officer conducting the sale may lower the upset price at his discretion.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders and not forefeited as hereinafter provided will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum

equal to $\frac{5}{8}$ths of a month's rent for that shop. Should he fail to do so, the deposit made by him under para 2 will be forfeited, the shop will at once be put up again on the above conditions, and he will be debarred from bidding again for the same or for any other shop.

4. Persons to whom shops have been knocked down, and who have made deposits as provided in paras 2 and 3 shall also, within seven days from the date of the auction, deposit such further sum as, with the first and second deposits, will make up an amount equal to three months' rent of each shop knocked down to them; and shall take out licenses in the prescribed form, on the conditions hereinafter set forth. On the failure of any person to make the deposit, or to take out licenses as aforesaid, the shop or shops will be resold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

5. Re-sales effected under para 4 will be at the risk of the defaulting bidder who will forfeit all gain; and in the event of a loss by resale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale, and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

6. A statement showing the details of the consumption of liquor at each shop will be shown to the intending bidders at the time of sale.

Conditions.

(1). The privilege conferred by the license extends only to the sale of country spirits of the strength of 20° under proof.

(2). The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from April 1893; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on the 15th of the month following. The deposit of 3 months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment by the 15th of the next month, the Deputy Commissioner shall at once proceed to recover the arrears together with interest at 6 per cent under the rules in force for the collection of land revenue. No remission or abatement of the rent shall, on any account whatever, be claimable by the licensee.

(3). The licensee shall purchase the spirits to be sold in his shop from Messrs Parry and Co., who have been appointed Distillers for the manufacture of country spirits for the State at the rate of 10½ annas per gallon of 20° under proof delivered at the distillery, or from a Bonded Depôt established under the sanction of Government. The spirits shall be sold to the public by the licensee at Rs. 5—5—0 per gallon of 20° under proof.

(4). The licensee of every shop in the Towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation, at the rate of Rs. 180 per annum in advance for the period of the license for his shop; and he shall pay also a license fee of 4 annas per gallon on all arrack sold by him in excess of 55 gallons a month in each.

(5). The above rate and fees are in addition to the Excise duty which shall be prepaid into the local Government Treasury, as per following condition (6), at the prescribed rate of Rs. 4 per gallon of 20° under proof, before the removal of the spirits from the Distillery, or a Bonded Depôt established under the sanction of Government.

(6). The licensee shall pay the above duty into the local Government Treasury, or to any taluk official appointed on this behalf, at the cost of the licensee, and located at the Bonded Depôt established for the convenience of the "separate shops", and shall obtain a receipt in the prescribed printed form. On production of such receipt and an indent for the supply of the liquor covered by the receipt, and on payment of the prescribed price of such liquor to the distiller or his agent, or any person appointed by Government on this behalf, the Assistant Supervisor or other officer in charge of the Distillery or the Bonded Depôt-keeper shall issue the quantity of liquor equal to the amount of duty shown in the Treasury Officer's receipt which will be forwarded to the Excise Commissioner's Office under the endorsement of the Assistant Supervisor or other officer aforesaid, as to the date and hour when the liquor was issued. The Assistant Supervisor or other officer or Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of liquor from the Distillery or Bonded Depôt.

(7). The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of spirits, which forms shall be purchased from local Excise officers.

(8). The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(9). The remaining terms and conditions shall be as set forth in the prescribed license.

7. In case of any breach of the above conditions either by the licensee, or with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license and to resell the privilege at the risk of the licensee; and all loss thereby caused together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st April 1893, shall be made good by him. When a lease is cancelled, the rent for the whole period of the lease shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

8. The penalties laid down in the last preceding clause shall not exempt the licensee or his employés from prosecution for any offence committed against the Excise laws or rules in force.

By Order,

T. ANANDA ROW,
Chief Secretary.

No. 8372—R. F. 210-92, dated the 15th December 1892.

It is hereby notified by the Government of His Highness the Maharaja of Mysore that the exclusive privilege of selling date toddy in the various classes of farms specified in the subjoined schedule for fifteen months, namely, April, May and June 1893, and the twelve months of the official year beginning with 1st July 1893 and ending with 30th June 1894, willbe sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates and at the places specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid farms singly, the officer conducting the sale, may revise the farms at discretion, clubbing together more than one farm or selling the farms by taluks.

2. The exclusive privilege above described will be put up to auction at the upset prices mentioned in the aforesaid schedule, and will be knocked down to the approved highest bidder above those prices, subject to the formal confirmation by the Deputy Commissioner who will be at liberty to accept or reject the bid at discretion. Such formal confirmation will be tantamount to an acceptance of the bid. Should there be no bid above the upset price, the officer conducting the sale, may lower the upset price at discretion.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person will be permitted to bid either on his own behalf or on account of any one else until he has deposited Rs. 50 or such other reasonable amount as may be fixed by the officer conducting the sale. The deposits made by the unsuccessful bidders and not forfeited as hereinafter provided, will be returned at the close of the sale. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next farm is put up for sale, deposit a sum equal to one-twentieth of the amount of his bid, and within fifteen days of the confirmation of the sale having been notified to him by the Deputy Commissioner in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent, and if he fails to do so, the deposits already made will be forfeited, and the exclusive privilege will be immediately resold or otherwise disposed of as the Deputy Commissioner may direct.

4. Resales effected under para 3 will be at the risk of the defaulting bidder who will forfeit all gain, and in the event of a loss by the resale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the resale. In the latter case, the forfeited deposit will be deducted from the loss arising from the resale ; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by resale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself to observe the conditions hereinafter set forth, and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited ; and the exclusive privilege will be resold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

6. A statement of existing shops in each farm and the groves attached to each farm, will be shown to the intending bidders at the time of sale.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions :—

(1.) The exclusive privilege shall extend only to the sale of date toddy.

(2.) The amount for which the privilege has been purchased, shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from April 1893, together with the local cess of one anna on every rupee of such instalment ; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent together with local cess thereon shall be payable on the 15th of the month following.

(3.) The deposit of three months' rent made by the licensee will be taken in payment of the rents due for the last three months of the period of the farm. Failing payment of each monthly rent by the 15th of the next month, the Deputy Commissioner will recover the same under the rules in force for the recovery of land revenue, together with interest at 6 per cent per annum. No remission or abatement of the rent, shall, on any account whatever, be claimable by the licensee.

(4.) The toddy shall be sold to the public at the rates prescribed by Goverument.

(5.) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts if any.

(6.) The licensee shall keep true accounts of the quantity of toddy received and issued to shopkeepers. The passes issued with the toddy transported, shall be subject to examination and check by the officers authorized on this behalf.

(7.) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(8.) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed, or permit transfers of shops from one place to another.

(9.) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack in any part of the farm to which the license relates, nor permit any person having interest in the exclusive privilege of vending arrack in any part of the farm, to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest direct or indirect, in any toddy farm in any Districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(10.) The licensee shall be bound by the provisions of the excise laws and rules in force or by any additional rules which may from time to time be prescribed under the excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with permit books for the transport of toddy, which books may be purchased from local Excise officers.

(11.) This lease shall not be transferable except with the permission of Government.

(12.) The remaining terms and conditions shall be as set forth in the prescribed licenses.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and resell the exclusive privilege at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused should be made good by the licensee.
